

Loaner Items

- Tempur-pedic Pillows: Available in a variety of sizes and styles
- Tens Units: Portable Interferential electro-therapy device.
(Purchase of pads required)
- The Stick: Self massage device to roll out large muscles. Great for the back, calves, glutes and forearms!
- Leg Spacer Pillow: Place between legs while you sleep to relieve pressure in your lower back and hips.
- Books/CD's: We have a variety of books on health and wellness topics available for loan. There is also a CD available called "Relaxing Your Jaw."

Loaner Policy

We require a copy of your credit card while the item is on loan. We will shred the copy upon return of the loaner item.

All items are available to loan for one week. Books & CD's may be loaned out for two weeks.

If a product is not returned to our office by the agreed upon loaning period, McDaniel Chiropractic Center reserves the right to process your credit card for the price of the product. If the loaner item has sustained damage you are responsible for payment.

Purchase Disclaimer

All of our products and supplements have been carefully researched and evaluated for quality and value. **Sales Are Final** on all items, so please ask before purchasing! We want to make sure the item you choose is exactly what you are looking for and is right for your particular condition.

Unopened supplements may be returned for office credit on your account. Opened containers cannot be accepted.
